Support for Members Living and Traveling Overseas

FOREIGN SERVICE BENEFIT PLAN

Caring For Your Health Worldwide®

Health Plan Accredited by

The **FOREIGN SERVICE BENEFIT PLAN** has Health Plan Accreditation from the Accreditation Association for Ambulatory Healthcare, Inc.

The **American Foreign Service Protective Association (AFSPA)** has been dedicated to meeting the needs of our unique, worldwide membership since our founding in 1929. Over time as these needs changed, we evolved to continue meeting them. But throughout, AFSPA has maintained a focus on providing all members, both domestic and especially members who live outside the United States, with unparalleled service.

Our largest program, the **FOREIGN SERVICE BENEFIT PLAN (FSBP)**, offers comprehensive coverage for Foreign Service, Department of Defense, and all Federal Executive Branch employees who support U.S. foreign affairs and related missions. **FSBP** covers you everywhere in the world.

This brochure will explain how your plan benefits work when you live or travel abroad. For more information, visit afspa.org/fsbp/overseas.

SUPPORT FOR THE UNIQUE NEEDS OF OUR OVERSEAS MEMBERS

FSBP addresses the unique challenges when you are outside the United States:

- Over 200 Direct Billing Providers (no up-front payment)

AFSPA MEMBER PORTAL vs. AETNA® WEBSITE

WHAT IS THE DIFFERENCE?

The Member Portal is a custom system for AFSPA members. It can be used to view and update plan information, access claims history, and secure electronic claims filing. In addition, members can use the mobile optimized version of the Member Portal to file a claim by taking a photo of necessary medical paperwork, find in-network providers and pharmacies or access partner portals such as the Aetna secure member website. We recommend setting up your Member Portal account to allow for the fastest processing of claims. To access the member portal, visit myafspa.org.

Many **FSBP** programs are housed in your Aetna secure member website, including signing up for wellness incentives, completing and viewing the results of your Health Risk Assessment (HRA), learning more about the quality and cost of your health care, viewing your Explanations of Benefits (EOBs), accessing digital coaching and much more! To register or login to the Aetna secure member website, visit AFSPA.org/fsbp and click on *Aetna's secure member website* under *Helpful Links*.

HELPFUL REMINDERS FOR WHEN YOU RETURN TO THE UNITED STATES:

- You **can** stay with the **FSBP** once you return to the U.S.
- See an in-network provider to maximize your benefits. Show your **FSBP** ID card to your provider and the in-network provider will file the claim on your behalf
- Update your address with member services or through the Member Portal at myafspa.org
- Use Teladoc® instead of vHealth (Worldwide) for telehealth services if your move to the U.S. is permanent
- Obtain preauthorization/prior approval for inpatient care, high-end radiology and other services that require preauthorization/prior approval (See Section 3 of the **FSBP** Brochure)
- You still can receive payments via EFT for member reimbursements

CLAIMS

HOW TO FILE A CLAIM OUTSIDE OF THE UNITED STATES

If the bill you have from your foreign provider is not fully itemized, please provide the following information with your claim:

- Patient name
- Patient's Plan ID number
- Provider name and address
- Dates of service
- Diagnosis or a description of your symptoms
- A brief description of each service or supply
- Charge for each service or supply

TWO WAYS TO SUBMIT YOUR CLAIM SECURELY

Member Portal:

Submit a claim by logging into the Member Portal at myafspa.org and clicking "Submit A Claim" in the FSBP menu.

When submitting claims online via the Member Portal, please enter the appropriate unique "W" ID number located on the front of your **FSBP** Member ID card.

OVERSEAS PROVIDERS

FSBP considers all providers outside the U.S. and Guam (including Military Treatment Facilities) as if they are in the Plan's network. We provide the same coinsurance rates as we do for in-network providers. We generally consider foreign providers' billed charges as our Plan allowance. However, we occasionally may request information that will enable us to determine medical necessity or an allowance on charges we deem to be excessive.

FSBP does not require precertification, prior approval or concurrent review for most services if you receive treatment outside the 50 United States (including Guam). See Section 3 of the **FSBP** Official Plan Brochure for more information.

Emergency Air Ambulance Transportation

If you are outside the 50 United States and need assistance arranging medically necessary air ambulance transportation, we will transport you to the nearest facility equipped to handle your medical condition.

Please call us at **1-800-593-2354**, Monday-Friday from 6 am – 5 pm, Mountain Time (MT). After hours, call **1-866-895-7795** or **+44 (0) 1252 351 200**.

DIRECT BILLING ARRANGEMENTS

We establish Direct Billing Arrangements (DBAs) to provide members with a convenient payment experience similar to that found in the United States. **FSBP** has direct billing relationships with over 200 health care providers across the world to include countries like Germany, South Korea, the United Kingdom, Japan, Italy, Colombia, France, Panama and more. In addition to these countries, many Seventh-Day Adventist Hospitals and Clinics in foreign countries participate in our DBAs. While some of our partnerships cover limited services such as inpatient hospitalization or standard maternity services, an increasing number incorporate all covered medically necessary outpatient services.

To take advantage of these arrangements, simply show your **FSBP** member ID card when you visit a DBA partner facility. The staff at the facility will collect your deductible and coinsurance, if applicable, and the balance of the bill comes directly to **FSBP**. This saves you from paying hundreds or even thousands of dollars at the time of service. For a complete list, visit afspa.org/fsbp and click on Overseas Partners.

Translation and Currency Conversion

There is no need to provide translation or currency conversion for your overseas claims. As part of your coverage, **FSBP** offers both services for claims – no additional work or cost for you!

TELEMEDICINE SERVICE

GENERAL MEDICINE AND MENTAL HEALTH SUPPORT

Telehealth consultations are available to members with an overseas address (including APO, DPO, FPO, Embassy and Consulate addresses) **at no cost** through our telehealth vendor, **vHealth (Worldwide)**. For details, please visit our website: vhealth-teladochealth.com/en or call +44 (0) 20 3499 2851
USA: 1-857-256-3784

TELEMEDICINE CONSULTATIONS WITH YOUR PROVIDER

Telemedicine consultations for diagnostic and treatment services are covered when your provider uses a HIPAA-compliant tool. Benefits are the same as in-person visits.

TALK TO A THERAPIST BY PHONE OR VIDEO FROM HOME

If your mental health provider offers telemedicine consultations for **mental health and substance use disorder**, **FSBP** will cover the visit the same as an in-person visit. This can help you maintain an established relationship with a stateside mental health provider or begin a new one with an overseas therapist.

Please Note: vHealth (Worldwide) is NOT insurance.

VIRTUAL SECOND OPINIONS

BY CLEVELAND CLINIC

The Plan has a special arrangement with Cleveland Clinic to provide a Virtual Second Opinion to patients who receive treatment in foreign countries. This program allows expert specialists from the world-renowned Cleveland Clinic to review your medical diagnosis and treatment remotely. With 3,500 experts in over 550 advanced subspecialties, you can get help with nearly any health challenge.

To request a Virtual Second Opinion for treatment received outside the U.S., simply email secondopinion@aetna.com. You may be asked to submit medical history and answer questions specific to your diagnosis. You also may need to gather information from your local physician or hospital, such as pathology (biopsy) slides or X-rays, and upload them to the site as instructed.

You will be matched to the most appropriate Cleveland Clinic expert specialist who will review your medical history and original tests before rendering an informational second opinion. You will receive notification by e-mail within five calendar days that the opinion is ready for you to view online via a secure website.

PRESCRIPTIONS

DID YOU KNOW?

- Member posted, living, or traveling overseas may request up to a 1-year supply of most medications.
- You can request early refill of medications in an emergency, like an evacuation.
- You can fill your prescriptions on the local economy and submit a claim to **FSBP** for processing.
- You should update your address with ESI when relocating (e.g. summer break for teachers) to ensure refills are delivered correctly. ESI will mail prescriptions internationally to APO/FPO/DPO/Pouch Mail addresses when possible.

The **Member Services Department at ESI** can handle all these inquiries and more. Our dedicated team can address the unique needs of members outside the U.S.

To reach the pharmacy, call the **ESI Member Services Department** toll free:

- In the United States: 1-800-818-6717
- Overseas: 1-877-846-3630 or email
ExpatriateProcessingGEN@express-scripts.com

To update your delivery address or refill prescriptions visit [express-scripts.com](https://www.express-scripts.com).

Region-specific Information

We respond quickly in an overseas emergency like natural disaster, civil unrest and emergency evacuations. For up-to-date information, see our News Feed at [afspa.org/fsbp](https://www.afspa.org/fsbp).

VERIFICATION OF BENEFITS

If an overseas provider requests pre-payment or a Guarantee of Payment letter prior to rendering medical services, we can provide a Verification of Benefits letter, confirming your enrollment and the Plan benefits for the requested services. This is often enough to satisfy the provider's request regarding pre-payment. Our FEHB contract forbids payment of pre-service claims. After services have been rendered and we have received and processed the claim, we can reimburse you or your provider for covered services, drugs, or supplies.

Sign up for Electronic Funds Transfer to have your payment reimbursement deposited directly into your U.S. bank account. Visit afspa.org/fsbp/eft to register securely.
