## How To File Your Claim

There's no paperwork for U.S. In-Network care. Just show your identification card and pay your share of the cost, if any; your provider will submit a claim to Cigna for reimbursement. U.S. Out-of-Network and International claims can be submitted by the provider if the provider is able and willing to file on your behalf. If the provider is not submitting on your behalf, you must send your completed claim form and itemized bills to the claims address listed on the claim form.

You may get the required claim form at [www.cignaenvoy.com](http://www.cignaenvoy.com) or from your Benefit Plan Administrator. All fully completed claim forms and bills should be sent directly to your servicing Cigna Service Center.

You must follow the Predetermination of Benefits procedure when it is necessary for dental forms.

### CLAIM REMINDERS

- BE SURE TO USE YOUR EMPLOYEE ID AND ACCOUNT NUMBER WHEN YOU FILE CIGNA'S CLAIM FORMS, OR WHEN YOU CALL THE CIGNA SERVICE CENTER.
- YOUR EMPLOYEE ID AND ACCOUNT NUMBER ARE SHOWN ON YOUR BENEFIT IDENTIFICATION CARD.
- BE SURE TO FOLLOW THE INSTRUCTIONS LISTED ON THE CLAIM FORM CAREFULLY WHEN SUBMITTING A CLAIM TO CIGNA.

### Timely Filing of U.S. Out-of-Network & International Claims

Cigna will consider claims for coverage under our plans when proof of loss (a claim) is submitted within one year (365 days) for U.S. Out-of-Network and International benefits after services are rendered. If services are rendered on consecutive days, such as for a Hospital Confinement, the limit will be counted from the last date of service. If claims are not submitted within one year for U.S. Out-of-Network and International benefits, the claim will not be considered valid and will be denied.

**WARNING:** Any person who knowingly and with intent to defraud any insurance company or other person files an application for insurance or statement of claim containing any materially false information; or conceals for the purpose of misleading, information concerning any material fact thereto, commits a fraudulent insurance act.

## Covered Dental Expense

Covered Dental Expense means that portion of a Dentist's charge that is payable for a service delivered to a covered person provided:

- the service is ordered or prescribed by a Dentist;
- is essential for the Necessary care of teeth;
- the service is within the scope of coverage limitations;
- the deductible amount in The Schedule has been met;
- the maximum benefit in The Schedule has not been exceeded;
- the charge does not exceed the amount allowed under the Alternate Benefit Provision;
- for Class I, II or III the service is started and completed while coverage is in effect, except for services described in the "Benefits Extension" section.

### Alternate Benefit Provision

If more than one covered service will treat a dental condition, payment is limited to the least costly service provided it is a professionally accepted, necessary and appropriate treatment.

If the covered person requests or accepts a more costly covered service, he or she is responsible for expenses that exceed the amount covered for the least costly service. Therefore, Cigna recommends Predetermination of Benefits before major treatment begins.

### Predetermination of Benefits

Predetermination of Benefits is a voluntary review of a Dentist's proposed treatment plan and expected charges. It is not preauthorization of service and is not required.

The treatment plan should include supporting pre-operative x-rays and other diagnostic materials as requested by Cigna's dental consultant. If there is a change in the treatment plan, a revised plan should be submitted.

Cigna will determine covered dental expenses for the proposed treatment plan. If there is no Predetermination of Benefits, Cigna will determine covered dental expenses when it receives a claim.

Review of proposed treatment is advised whenever extensive dental work is recommended when charges exceed \$200.

Predetermination of Benefits is not a guarantee of a set payment. Payment is based on the services that are actually delivered and the coverage in force at the time services are completed.

## Covered Services

The following section lists covered dental services. Cigna may agree to cover expenses for a service not listed. To be considered the service should be identified using the American Dental Association Uniform Code of Dental Procedures and Nomenclature, or by description and then submitted to Cigna.

## General Limitations

### Dental Benefits

No payment will be made for expenses incurred for you or any one of your Dependents:

- for or in connection with an Injury arising out of, or in the course of, any employment for wage or profit;
- for or in connection with a Sickness which is covered under any workers' compensation or similar law;
- for charges made by a Hospital owned or operated by or which provides care or performs services for, the United

## Coordination of Benefits

This section applies if you or any one of your Dependents is covered under more than one Plan and determines how benefits payable from all such Plans will be coordinated. You should file all claims with each Plan. For claims incurred within the United States, you should file all claims under each Plan. For claims incurred outside the United States, if you file claims with more than one Plan, you must indicate, at the time of filing a claim under this Plan, that you also have or will be filing your claim under another Plan.

### Definitions

For the purposes of this section, the following terms have the meanings set forth below:

#### **Plan**

Any of the following that provides benefits or services for medical or dental treatment:

- Group insurance and/or group-type coverage, whether insured or self-insured which neither can be purchased by the general public, nor is individually underwritten, including closed panel coverage.
- Coverage under Medicare and other governmental benefits as permitted by law, except Medicaid and Medicare supplement policies.
- Medical benefits coverage of group, group-type, and individual automobile contracts.

Each Plan or part of a Plan which has the right to coordinate benefits will be considered a separate Plan.

#### **Closed Panel Plan**

A Plan that provides medical or dental benefits primarily in the form of services through a panel of employed or contracted providers, and that limits or excludes benefits provided by providers outside of the panel, except in the case of emergency or if referred by a provider within the panel.

#### **Primary Plan**

The Plan that determines and provides or pays benefits without taking into consideration the existence of any other Plan.

#### **Secondary Plan**

A Plan that determines, and may reduce its benefits after taking into consideration, the benefits provided or paid by the Primary Plan. A Secondary Plan may also recover from the Primary Plan the Reasonable Cash Value of any services it provided to you.

#### **Allowable Expense**

A necessary, reasonable and customary service or expense, including coinsurance, that is covered in full or in part by any Plan covering you. When a Plan provides benefits in the form

of services, the Reasonable Cash Value of each service is the Allowable Expense and is a paid benefit.

Examples of expenses or services that are not Allowable Expenses include, but are not limited to the following:

- An expense or service or a portion of an expense or service that is not covered by any of the Plans is not an Allowable Expense.
- If you are confined to a private Hospital room and no Plan provides coverage for more than a semiprivate room, the difference in cost between a private and semiprivate room is not an Allowable Expense.
- If you are covered by two or more Plans that provide services or supplies on the basis of reasonable and customary fees, any amount in excess of the highest reasonable and customary fee is not an Allowable Expense.
- If you are covered by one Plan that provides services or supplies on the basis of reasonable and customary fees and one Plan that provides services and supplies on the basis of negotiated fees, the Primary Plan's fee arrangement shall be the Allowable Expense.
- If your benefits are reduced under the Primary Plan (through the imposition of a higher copayment amount, higher coinsurance percentage, a deductible and/or a penalty) because you did not comply with Plan provisions or because you did not use a preferred provider, the amount of the reduction is not an Allowable Expense. Such Plan provisions include second surgical opinions and precertification of admissions or services.

#### **Claim Determination Period**

A calendar year, but does not include any part of a year during which you are not covered under this policy or any date before this section or any similar provision takes effect.

#### **Reasonable Cash Value**

An amount which a duly licensed provider of health care services usually charges patients and which is within the range of fees usually charged for the same service by other health care providers located within the immediate geographic area where the health care service is rendered under similar or comparable circumstances.

#### **Order of Benefit Determination Rules**

A Plan that does not have a coordination of benefits rule consistent with this section shall always be the Primary Plan. If the Plan does have a coordination of benefits rule consistent with this section, the first of the following rules that applies to the situation is the one to use:

- The Plan that covers you as an enrollee or an employee shall be the Primary Plan and the Plan that covers you as a Dependent shall be the Secondary Plan;
- If you are a Dependent child whose parents are not divorced or legally separated, the Primary Plan shall be the Plan

which covers the parent whose birthday falls first in the calendar year as an enrollee or employee;

- If you are the Dependent of divorced or separated parents, benefits for the Dependent shall be determined in the following order:
  - first, if a court decree states that one parent is responsible for the child's healthcare expenses or health coverage and the Plan for that parent has actual knowledge of the terms of the order, but only from the time of actual knowledge;
  - then, the Plan of the parent with custody of the child;
  - then, the Plan of the spouse of the parent with custody of the child;
  - then, the Plan of the parent not having custody of the child, and
  - finally, the Plan of the spouse of the parent not having custody of the child.
- The Plan that covers you as an active employee (or as that employee's Dependent) shall be the Primary Plan and the Plan that covers you as laid-off or retired employee (or as that employee's Dependent) shall be the secondary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.
- The Plan that covers you under a right of continuation which is provided by federal or state law shall be the Secondary Plan and the Plan that covers you as an active employee or retiree (or as that employee's Dependent) shall be the Primary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.
- If one of the Plans that covers you is issued out of the state whose laws govern this Policy, and determines the order of benefits based upon the gender of a parent, and as a result, the Plans do not agree on the order of benefit determination, the Plan with the gender rules shall determine the order of benefits.

If none of the above rules determines the order of benefits, the Plan that has covered you for the longer period of time shall be primary.

When coordinating benefits with Medicare, this Plan will be the Secondary Plan and determine benefits after Medicare, where permitted by the Social Security Act of 1965, as amended. However, when more than one Plan is secondary to Medicare, the benefit determination rules identified above, will be used to determine how benefits will be coordinated.

#### **Effect on the Benefits of This Plan**

If this Plan is the Secondary Plan, this Plan may reduce benefits so that the total benefits paid by all Plans during a Claim Determination Period are not more than 100% of the total of all Allowable Expenses.

The difference between the amount that this Plan would have paid if this Plan had been the Primary Plan, and the benefit payments that this Plan had actually paid as the Secondary Plan, will be recorded as a benefit reserve for you. Cigna will use this benefit reserve to pay any Allowable Expense not otherwise paid during the Claim Determination Period.

As each claim is submitted, Cigna will determine the following:

- Cigna's obligation to provide services and supplies under this policy;
- whether a benefit reserve has been recorded for you; and
- whether there are any unpaid Allowable Expenses during the Claims Determination Period.

If there is a benefit reserve, Cigna will use the benefit reserve recorded for you to pay up to 100% of the total of all Allowable Expenses. At the end of the Claim Determination Period, your benefit reserve will return to zero and a new benefit reserve will be calculated for each new Claim Determination Period.

#### **Recovery of Excess Benefits**

If Cigna pays charges for benefits that should have been paid by the Primary Plan, or if Cigna pays charges in excess of those for which we are obligated to provide under the Policy, Cigna will have the right to recover the actual payment made or the Reasonable Cash Value of any services.

Cigna will have sole discretion to seek such recovery from any person to, or for whom, or with respect to whom, such services were provided or such payments made by any insurance company, healthcare plan or other organization. If we request, you must execute and deliver to us such instruments and documents as we determine are necessary to secure the right of recovery.

#### **Right to Receive and Release Information**

Cigna, without consent or notice to you, may obtain information from and release information to any other Plan with respect to you in order to coordinate your benefits pursuant to this section. You must provide us with any information we request in order to coordinate your benefits pursuant to this section. This request may occur in connection with a submitted claim; if so, you will be advised that the "other coverage" information, (including an Explanation of Benefits paid under the Primary Plan) is required before the claim will be processed for payment. If no response is received within 90 days of the request, the claim will be denied. If the requested information is subsequently received, the claim will be processed.

## Medicare Eligibles

Cigna will pay as the Secondary Plan as permitted by the Social Security Act of 1965 as amended for the following:

- (a) a former Employee who is eligible for Medicare and whose insurance is continued for any reason as provided in this plan;
- (b) a former Employee's Dependent, or a former Dependent Spouse, who is eligible for Medicare and whose insurance is continued for any reason as provided in this plan;
- (c) an Employee whose Employer and each other Employer participating in the Employer's plan have fewer than 100 Employees and that Employee is eligible for Medicare due to disability;
- (d) the Dependent of an Employee whose Employer and each other Employer participating in the Employer's plan have fewer than 100 Employees and that Dependent is eligible for Medicare due to disability;
- (e) an Employee or a Dependent of an Employee of an Employer who has fewer than 20 Employees, if that person is eligible for Medicare due to age;
- (f) an Employee, retired Employee, Employee's Dependent or retired Employee's Dependent who is eligible for Medicare due to End Stage Renal Disease after that person has been eligible for Medicare for 30 months;

Cigna will assume the amount payable under:

- Part A of Medicare for a person who is eligible for that Part without premium payment, but has not applied, to be the amount he would receive if he had applied.
- Part B of Medicare for a person who is entitled to be enrolled in that Part, but is not, to be the amount he would receive if he were enrolled.
- Part B of Medicare for a person who has entered into a private contract with a provider, to be the amount he would receive in the absence of such private contract.

A person is considered eligible for Medicare on the earliest date any coverage under Medicare could become effective for him.

This reduction will not apply to any Employee and his Dependent or any former Employee and his Dependent unless he is listed under (a) through (f) above.

### Domestic Partners

Under federal law, the Medicare Secondary Payer Rules do not apply to Domestic Partners covered under a group health plan when Medicare coverage is due to age. Therefore, when Medicare coverage is due to age, Medicare is always the Primary Plan for a person covered as a Domestic Partner, and Cigna is the Secondary Plan. However, when Medicare

coverage is due to disability, the Medicare Secondary Payer rules explained above will apply.

## Expenses For Which A Third Party May Be Responsible

This plan does not cover:

- Expenses incurred by you or your Dependent (hereinafter individually and collectively referred to as a "Participant,") for which another party may be responsible as a result of having caused or contributed to an Injury or Sickness.
- Expenses incurred by a Participant to the extent any payment is received for them either directly or indirectly from a third party tortfeasor or as a result of a settlement, judgment or arbitration award in connection with any automobile medical, automobile no-fault, uninsured or underinsured motorist, homeowners, workers' compensation, government insurance (other than Medicaid), or similar type of insurance or coverage.

### Subrogation/Right of Reimbursement

If a Participant incurs a Covered Expense for which, in the opinion of the plan or its claim administrator, another party may be responsible or for which the Participant may receive payment as described above:

- Subrogation: The plan shall, to the extent permitted by law, be subrogated to all rights, claims or interests that a Participant may have against such party and shall automatically have a lien upon the proceeds of any recovery by a Participant from such party to the extent of any benefits paid under the plan. A Participant or his/her representative shall execute such documents as may be required to secure the plan's subrogation rights.
- Right of Reimbursement: The plan is also granted a right of reimbursement from the proceeds of any recovery whether by settlement, judgment, or otherwise. This right of reimbursement is cumulative with and not exclusive of the subrogation right granted in paragraph 1, but only to the extent of the benefits provided by the plan.

### Lien of the Plan

By accepting benefits under this plan, a Participant:

- grants a lien and assigns to the plan an amount equal to the benefits paid under the plan against any recovery made by or on behalf of the Participant which is binding on any attorney or other party who represents the Participant whether or not an agent of the Participant or of any insurance company or other financially responsible party against whom a Participant may have a claim provided said attorney, insurance carrier or other party has been notified by the plan or its agents;

- agrees that this lien shall constitute a charge against the proceeds of any recovery and the plan shall be entitled to assert a security interest thereon;
- agrees to hold the proceeds of any recovery in trust for the benefit of the plan to the extent of any payment made by the plan.

#### **Additional Terms**

- No adult Participant hereunder may assign any rights that it may have to recover medical expenses from any third party or other person or entity to any minor Dependent of said adult Participant without the prior express written consent of the plan. The plan's right to recover shall apply to decedents', minors', and incompetent or disabled persons' settlements or recoveries.
- No Participant shall make any settlement, which specifically reduces or excludes, or attempts to reduce or exclude, the benefits provided by the plan.
- The plan's right of recovery shall be a prior lien against any proceeds recovered by the Participant. This right of recovery shall not be defeated nor reduced by the application of any so-called "Made-Whole Doctrine", "Rimes Doctrine", or any other such doctrine purporting to defeat the plan's recovery rights by allocating the proceeds exclusively to non-medical expense damages.
- No Participant hereunder shall incur any expenses on behalf of the plan in pursuit of the plan's rights hereunder, specifically; no court costs, attorneys' fees or other representatives' fees may be deducted from the plan's recovery without the prior express written consent of the plan. This right shall not be defeated by any so-called "Fund Doctrine", "Common Fund Doctrine", or "Attorney's Fund Doctrine".
- The plan shall recover the full amount of benefits provided hereunder without regard to any claim of fault on the part of any Participant, whether under comparative negligence or otherwise.
- In the event that a Participant shall fail or refuse to honor its obligations hereunder, then the plan shall be entitled to recover any costs incurred in enforcing the terms hereof including, but not limited to, attorney's fees, litigation, court costs, and other expenses. The plan shall also be entitled to offset the reimbursement obligation against any entitlement to future medical benefits hereunder until the Participant has fully complied with his reimbursement obligations hereunder, regardless of how those future medical benefits are incurred.
- Any reference to state law in any other provision of this plan shall not be applicable to this provision, if the plan is governed by ERISA. By acceptance of benefits under the plan, the Participant agrees that a breach hereof would cause irreparable and substantial harm and that no adequate remedy at law would exist. Further, the Plan shall be

entitled to invoke such equitable remedies as may be necessary to enforce the terms of the plan, including, but not limited to, specific performance, restitution, the imposition of an equitable lien and/or constructive trust, as well as injunctive relief.

## **Payment of Benefits**

### **To Whom Payable**

Dental Benefits are assignable to the provider. When you assign benefits to a provider, you have assigned the entire amount of the benefits due on that claim. If the provider is overpaid because of accepting a patient's payment on the charge, it is the provider's responsibility to reimburse the patient. Because of Cigna's contracts with providers, all claims from contracted providers should be assigned.

Cigna may, at its option, make payment to you for the cost of any Covered Expenses from a Non-Participating Provider even if benefits have been assigned. When benefits are paid to you or your Dependent, you or your Dependents are responsible for reimbursing the provider.

If any person to whom benefits are payable is a minor or, in the opinion of Cigna is not able to give a valid receipt for any payment due him, such payment will be made to his legal guardian. If no request for payment has been made by his legal guardian, Cigna may, at its option, make payment to the person or institution appearing to have assumed his custody and support.

When one of our participants passes away, Cigna may receive notice that an executor of the estate has been established. The executor has the same rights as our insured and benefit payments for unassigned claims should be made payable to the executor.

Payment as described above will release Cigna from all liability to the extent of any payment made.

### **Recovery of Overpayment**

When an overpayment has been made by Cigna, Cigna will have the right at any time to: recover that overpayment from the person to whom or on whose behalf it was made; or offset the amount of that overpayment from a future claim payment.

They generally and/or specifically may not apply to non-U.S. citizens or residents, nonresident aliens, nonresident aliens with no U.S. sourced income, or other foreign nationals.

## Qualified Medical Child Support Order (QMCSO)

### Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child, and yourself if you are not already enrolled, within 31 days of the QMCSO being issued.

## Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

- the order recognizes or creates a child's right to receive group health benefits for which a participant or beneficiary is eligible;
- the order specifies your name and last known address, and the child's name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child's mailing address;
- the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
- the order states the period to which it applies; and
- if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

### Payment of Benefits

Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child's custodial parent or legal guardian, shall be made to the child, the child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

## Eligibility for Coverage for Adopted Children

Any child under the age of 18 who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child's adoption.

If a child placed for adoption is not adopted, all health coverage ceases when the placement ends, and will not be continued.

The provisions in the “Exception for Newborns” section of this document that describe requirements for enrollment and effective date of insurance will also apply to an adopted child or a child placed with you for adoption.

### **Requirements of Medical Leave Act of 1993 (as amended) (FMLA)**

Any provisions of the policy that provide for: continuation of insurance during a leave of absence; and reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

#### **Continuation of Health Insurance During Leave**

Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and
- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

#### **Reinstatement of Canceled Insurance Following Leave**

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

HC-FED17 10-10

### **Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA)**

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee’s military leave of absence. These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

#### **Continuation of Coverage**

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to your Employer, until the earliest of the following:

- 24 months from the last day of employment with the Employer;
- the day after you fail to return to work; and
- the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

Following continuation of health coverage per USERRA requirements, you may convert to a plan of individual coverage according to any “Conversion Privilege” shown in your certificate.

#### **Reinstatement of Benefits (applicable to all coverages)**

If your coverage ends during the leave of absence because you do not elect USERRA or an available conversion plan at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if you gave your Employer advance written or verbal notice of your military service leave, and the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is

aggravated during the military leave, full Plan limitations will apply.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

## **Claim Determination Procedures under ERISA**

pendents were covered on the day before the qualifying event occurred, unless you move out of that plan's coverage area or the plan is no **The following complies with federal law.**

**Provisions of the laws of your state may supersede.**

### **Procedures Regarding Medical Necessity Determinations**

In general, health services and benefits must be Medically Necessary to be covered under the plan. The procedures for determining Medical Necessity vary, according to the type of service or benefit requested, and the type of health plan. Medical Necessity determinations are made on either a preservice, concurrent, or postservice basis, as described below:

Certain services require prior authorization in order to be covered. This prior authorization is called a "preservice medical necessity determination." The Certificate describes who is responsible for obtaining this review. You or your authorized representative (typically, your health care provider) must request Medical Necessity determinations according to the procedures described below, in the Certificate, and in your provider's network participation documents as applicable.

When services or benefits are determined to be not Medically Necessary, you or your representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the Certificate, in your provider's network participation documents, and in the determination notices.

### **Preservice Medical Necessity Determinations**

When you or your representative request a required Medical Necessity determination prior to care, Cigna will notify you or your representative of the determination within 15 days after receiving the request. However, if more time is needed due to matters beyond Cigna's control, Cigna will notify you or your representative within 15 days after receiving your request. This notice will include the date a determination can be expected, which will be no more than 30 days after receipt of the request. If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and you or your

representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

If the determination periods above would seriously jeopardize your life or health, your ability to regain maximum function, or in the opinion of a Physician with knowledge of your health condition, cause you severe pain which cannot be managed without the requested services, Cigna will make the preservice determination on an expedited basis. Cigna's Physician reviewer, in consultation with the treating Physician, will decide if an expedited determination is necessary. Cigna will notify you or your representative of an expedited determination within 72 hours after receiving the request.

However, if necessary information is missing from the request, Cigna will notify you or your representative within 24 hours after receiving the request to specify what information is needed. You or your representative must provide the specified information to Cigna within 48 hours after receiving the notice. Cigna will notify you or your representative of the expedited benefit determination within 48 hours after you or your representative responds to the notice. Expedited determinations may be provided orally, followed within 3 days by written or electronic notification.

If you or your representative fails to follow Cigna's procedures for requesting a required preservice medical necessity determination, Cigna will notify you or your representative of the failure and describe the proper procedures for filing within 5 days (or 24 hours, if an expedited determination is required, as described above) after receiving the request. This notice may be provided orally, unless you or your representative requests written notification.

### **Concurrent Medical Necessity Determinations**

When an ongoing course of treatment has been approved for you and you wish to extend the approval, you or your representative must request a required concurrent Medical Necessity determination at least 24 hours prior to the expiration of the approved period of time or number of treatments. When you or your representative requests such a determination, Cigna will notify you or your representative of the determination within 24 hours after receiving the request.

### **Postservice Medical Necessity Determinations**

When you or your representative requests a Medical Necessity determination after services have been rendered, Cigna will notify you or your representative of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control, Cigna will notify you or your representative within 30 days after receiving the request. This notice will

include the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and you or your representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

**Postservice Determinations**

When you or your representative requests payment for services which have been rendered, Cigna will notify you of the claim payment determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control, Cigna will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request. If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and you or your representative must provide the specified information within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and resume on the date you or your representative responds to the notice.

### Notice of Adverse Determination

Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of the following that pertain to the determination: the specific reason or reasons for the adverse determination; reference to the specific plan provisions on which the determination is based; a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary; a description of the plan's review procedures and the time limits applicable, including a statement of a claimant's rights to bring a civil action under section 502(a) of ERISA following an adverse benefit determination on appeal; upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim; and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit; in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.

### Collective Bargaining Agreements

You may contact the Plan Administrator to determine whether the Plan is maintained pursuant to one or more collective bargaining agreements and if a particular Employer is a sponsor. A copy is available for examination from the Plan Administrator upon written request.

### Discretionary Authority

The Plan Administrator delegates to Cigna the discretionary authority to interpret and apply plan terms and to make factual determinations in connection with its review of claims under the plan. Such discretionary authority is intended to include, but not limited to, the determination of the eligibility of persons desiring to enroll in or claim benefits under the plan, the determination of whether a person is entitled to benefits under the plan, and the computation of any and all benefit payments. The Plan Administrator also delegates to Cigna the discretionary authority to perform a full and fair review, as required by ERISA, of each claim denial which has been appealed by the claimant or his duly authorized representative.

### Plan Modification, Amendment and Termination

The Employer as Plan Sponsor reserves the right to, at any time, change or terminate benefits under the Plan, to change or terminate the eligibility of classes of employees to be covered by the Plan, to amend or eliminate any other plan term or condition, and to terminate the whole plan or any part of it. Contact the Employer for the procedure by which benefits may be changed or terminated, by which the eligibility of classes of employees may be changed or terminated, or by which part or all of the Plan may be terminated. No consent of any participant is required to terminate, modify, amend or change the Plan.

Termination of the Plan together with termination of the insurance policy(s) which funds the Plan benefits will have no adverse effect on any benefits to be paid under the policy(s) for any covered medical expenses incurred prior to the date that policy(s) terminates. Likewise, any extension of benefits under the policy(s) due to you or your Dependent's total disability which began prior to and has continued beyond the date the policy(s) terminates will not be affected by the Plan termination. Rights to purchase limited amounts of life and

medical insurance to replace part of the benefits lost because the policy(s) terminated may arise under the terms of the policy(s). A subsequent Plan termination will not affect the extension of benefits and rights under the policy(s).

Your coverage under the Plan's insurance policy(s) will end on the earliest of the following dates:

- the date you leave Active Service (or later as explained in the Termination Section;)
- the date you are no longer in an eligible class;
- if the Plan is contributory, the date you cease to contribute;
- the date the policy(s) terminates.

See your Plan Administrator to determine if any extension of benefits or rights are available to you or your Dependents under this policy(s). No extension of benefits or rights will be available solely because the Plan terminates.

### **Statement of Rights**

As a participant in the plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

#### **Receive Information About Your Plan and Benefits**

- examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure room of the Employee Benefits Security Administration.
- obtain, upon written request to the Plan Administrator, copies of documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each person under the Plan with a copy of this summary financial report.

#### **Continue Group Health Plan Coverage**

- continue health care coverage for yourself, your spouse or Dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your Dependents may have to pay for such coverage. Review this summary plan description and the documents governing the Plan on the rules governing your federal continuation coverage rights.
- reduction or elimination of exclusionary periods of coverage for preexisting conditions under your group health plan, if you have creditable coverage from another plan. You should

be provided a certificate of creditable coverage, free of charge, from your group health plan or health insurance issuer when you lose coverage under the plan, when you become entitled to elect federal continuation coverage, when your federal continuation coverage ceases, if you request it before losing coverage, or if you request it up to 24 months after losing coverage. Without evidence of creditable coverage, you may be subject to a preexisting condition exclusion for 12 months (18 months for late enrollees) after your enrollment date in your coverage.

#### **Prudent Actions by Plan Fiduciaries**

In addition to creating rights for plan participants, ERISA imposes duties upon the people responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA. If your claim for a welfare benefit is denied or ignored you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

#### **Enforce Your Rights**

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court.

In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example if it finds your claim is frivolous.

#### **Assistance with Your Questions**

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this

---

statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

### Level One Appeal

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving Medical Necessity or clinical appropriateness will be considered by a health care professional.

For level one appeals, we will respond in writing with a decision.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition.

A dental professional, in consultation with the treating Dentist, will decide if an expedited review is necessary. When a review is expedited, Cigna will respond orally with a decision within 72 hours, followed up in writing.

If you are not satisfied with our level-one appeal decision, you may request a level-two appeal.

### Level Two Appeal

If you are dissatisfied with our level one appeal decision, you may request a second review. To start a level two appeal, follow the same process required for a level one appeal.

Most requests for a second review will be conducted by the Appeals Committee, which consists of at least three people. Anyone involved in the prior decision may not vote on the Committee. For appeals involving Medical Necessity or clinical appropriateness, the Committee will consult with at least one Dentist reviewer in the same or similar specialty as the care under consideration, as determined by Cigna's Dentist reviewer. You may present your situation to the Committee by conference call.

For level two appeals we will acknowledge in writing that we have received your request and schedule a Committee review. For postservice claims, the Committee review will be completed within 30 calendar days. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed by the Committee to complete the review. You will be notified in writing of the Committee's decision within five working days after the Committee meeting, and within the Committee review time frames above if the Committee does not approve the requested coverage.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition.

A dental professional, in consultation with the treating Dentist, will decide if an expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within 72 hours, followed up in writing.
