

# Free Online Health Chats for August 2017

Get Professional Answers to Your Health Questions and Concerns

## One of America's Best Hospitals

Cleveland Clinic ranked No. 2 in the nation in the annual [U.S. News & World Report's "2016-17 Best Hospitals"](#) survey.

### MyConsult® Online Medical Second Opinion

[Learn more](#) about how Cleveland Clinic provides online medical second opinions to employees as part of your healthcare plan. Please check with your benefits manager to see if you are eligible.

MyConsult program gives patients secure, online access to Cleveland Clinic's physician specialists for over 1,200 diagnoses all by the click of your mouse. These diagnoses can include conditions that impact your quality of life or conditions that may be more serious.

## It's easy to be part of our live Online Health Chat events!

Led by Cleveland Clinic physicians and health educators, each Health Chat opens at noon eastern time to allow you to submit questions. We will try to answer as many questions as possible during the chat. Please [create a free account](#) to attend a chat and submit your questions. You can also view [transcripts from past health chats](#).

To learn more about each health chat, click on the bold headings below for more information.
