

## Quick Tips on Filing Massage Claims

We understand that claim submission has been a challenge and we want to make the process easier.

Here are some general tips regarding the submission of massage claims.

The following information is needed:

- Patient's name and
- Patient's date of birth
- Patient's ID number
- Provider/Massage Therapist name, address, and license or certification number (where applicable)
- Date of each service
- Description of service rendered
- Cost for each service
- Federal Tax identification number, if available (for providers in the United States)

**Note:** If you paid for the services, please provide your paid receipt.
