March is National Nutrition Month

Eat Right!

Message from the CEO

Dear AFSPA Member,

Welcome to March 2017! Spring means new beginnings. AFSPA is working on our annual Spring newsletter. We believe it is important to stay connected with our members and provide the latest health information. Please expect to see the Spring newsletter in your mailbox in the upcoming months.

Celebrating FSBP’s 75th Anniversary

The year 2017 is very important for us as it marks 75 years since the Foreign Service Benefit Plan (FSBP) was established. In 1942, the American Foreign Service Protective Association (AFSPA) began offering health insurance to those in the Foreign Service. Now we have evolved to serve many agencies with a Foreign Affairs involvement, such as DOD, DHS, CIA, etc. We are very proud of offering worldwide coverage for over seven decades. We designed a special logo (shown above) to commemorate this milestone occasion. You can view it on the FSBP web page throughout the entire year.

Caring for your Health Worldwide for 75 years has been an honor and a privilege. Thank you for your loyalty to the Plan.

National Nutrition Month

Lastly, March is National Nutrition Month. It focuses attention on the importance of making informed food choices and developing sound eating and physical activity habits. This would be a great time to explore the Mediterranean Wellness Program offered to all FSBP members. The eight week interactive online program gives you access to a registered dietitian. It also offers a support manual with information to help manage your weight. If you didn’t know, the Mediterranean Wellness Program counts as a Healthy Action for those completing the Simple Steps to Living Well Together Program. So start your path to better eating and earn a $50 incentive credit today. Please refer to the 2017 FSBP Brochure, Section 5(h) to explore the many other programs that can help members with nutrition goals, including our Weight Management Program, Health Coaching Program, and TherapEase Cuisine, just to name a few. And, don’t forget the Plan’s Nutritional Counseling benefit. See your Brochure in Section 5(a) for more information on this benefit.

A reminder, we mailed the IRS Form 1095-B to FSBP members last week. Please note, the 1095-B form is not needed to file your tax return but it should be kept in your 2016 tax file.

We hope your family has a happy and healthy Spring. As always, thank you for your trust and for giving AFSPA the opportunity to serve you.

To Your Health,
