Members may use our voluntary program for covered outpatient lab tests at no cost- no deductible, no copays and no coinsurance! This benefit can be used only in the 50 United States. Members returning to the 50 United States for vacation, or for seeking medical care and/or treatment while visiting the 50 United States, can utilize this benefit for covered outpatient lab tests.

A Lab Card packet mailed to subscribing members contains a welcome letter, a document explaining how the Lab Card program works, two (2) Lab Cards and four (4) stickers to affix to the FSBP ID card(s) or personal files at the Doctors office. All Lab Cards will contain the subscriber’s information but can also be used by dependents.

To use the benefit, simply present your Quest Diagnostics Lab Card and/or FSBP ID card with the Lab Card sticker affixed to it and tell your physician you would like to use the Quest Outpatient Lab Card benefit.

If the physician draws the specimen, he/she can call 800-646-7788 for pick up; or you can go to an approved collection site and show your FSBP ID card and/or Quest Diagnostics Lab Card along with the test requisition form from your physician and have the specimen drawn there.

To find an approved collection site near you, call 800-646-7788 or visit www.LabCard.com, select the option “collection site finder.”

To get a temporary Lab card, call 800-646-7788; visit www.Labcard.com, select the option “print a temporary card” or email DGXLENInquiry@questdiagnostics.com.
