Consult with a Cleveland Clinic Expert Physician from the Comfort of Home

Your benefits package includes an innovative new digital health service that lets you have a diagnosis or treatment plan reviewed by expert specialists from the **world-renowned Cleveland Clinic**, at no cost to you. So you gain greater confidence and peace of mind.

- Draw on the expertise of 3,500 Cleveland Clinic expert specialists in over 550 advanced subspecialties.
- Get a Virtual Second Opinion for yourself or a family member.
- Use only a mobile phone, tablet, laptop or desktop system.

It's confidential, convenient and cost-free.

How It Works

Simply register at **globalvso.io** and fill out the requested information, including your current diagnosis and recommended treatment, as well as your medical concerns and questions. Then upload your records in English, along with related imaging, through our secure system. Your case will be reviewed by your Nurse Care Manager, who will match you to the most appropriate expert physician at Cleveland Clinic. Your specialist will review all aspects of your diagnosis and treatment plan, and you'll receive an in-depth, educational second opinion report.

ALL IN APPROXIMATELY TWO WEEKS — THE INDUSTRY'S FASTEST END-TO-END TURNAROUND TIME!

Become more informed about your health and more certain about your care!
